This fence does not make any security sense!

The walled portion of the barrier is 32-35 feet high in E. Jerusalem cuts through Palestinian neighborhoods.

Fence construction 198-330 feet wide

Palestinians need special permits to enter and leave enclave communities.

Green Line (1967 Pre-Occupation Border)

Completed Separation Barrier

Next phase 2004-2005

Suggested Path of Separation Barrier

Israeli Settlement

Remaining Palestinian Area

Areas of West Bank taken over by Israel

Palestinian enclaves created by fence/wall
